Scarf in Estonian lily of the valley-pattern

Yarn: Hifa kamgarn tynt (www.ull.no), ca. 700 m / 100 g, Nm 14/2 – 100% wool
Needles: 3,5 mm
Pattern: Knitted from charts. All WS-rows is purled except the garter stitches in the beginning and ending of the rows.
An Estonian bobble (nupp-stitch) is knitted over two rows. **RS row:** K1, yo, K1, yo, K1, yo, K1 = 7 stitches in one stitch (important: knit these stitches very loosely). **WS row**: P7 tog.

Using provisional (invisible) cast on, cast on 56 stitches. Knit 6 rows of garter stitch.

Begin pattern from chart 1. The red frame is repeated once for three columns of lily of the valley-pattern. The 16 rows of the pattern are repeated 16 times.

End with 6 rows of garter stitch and K2tog on the last row (WS) = 55 stitches

Begin edging from chart 2. The red frame is repeated 4 times. Knit the 10 rows of the chart once. Cast off with two strands of yarn very loosely.

Open the provisional (invisible) cast on and put the stitches on the needle. You have “automatically” 55 stitches on the needle. Knit another edging from chart 2.

Soak the scarf and block it.
